ARTICLE II

RECOGNITION

A. The Employer hereby recognizes the Union as the representative of the Health Inspectors of the Division of Environmental Health who have elected to be represented by the Union for the purpose of presenting and making known to their Division Head or such person as may be designated by the Mayor, their grievance and proposals.

B. It is further provided that any Health Inspector shall have the right at any time to present his own grievance or proposal and to have a Union representative present at the Health Inspector's request.

ARTICLE III

NON-DISCRIMINATION

The Employer agrees that it will not discriminate against an Inspector because of activities as a member of the Union. There shall be no discrimination against any Health Inspector because of race, color, religious creed, national origin, political affiliation, sex, or Union affiliation.

ARTICLE IV

UNION BUSINESS

A. The business agent or his representative, or any officer of the Union, shall have admission to the Employer's premises at any time during working hours for the purpose of ascertaining whether this Agreement is being carried out in good faith or for the purpose of assisting in the adjustment of any grievance which may have arisen. No such representative, however, shall have the privilege of roaming about the premises, but shall first apply to the Division Head for permission to visit, which permission shall be reasonably granted, it being understood, however, that such representative shall not, in any way, interfere with the working of the Division during working hours and that this privilege shall be so exercised as to keep at a minimum time lost thereby to the Employer.

B. The Union shall notify the Employer annually or after any election of the Names and Titles of any elected officers of the Union.

ARTICLE V

GRIEVANCE PROCEDURE

A. It is hereby agreed that the Employer has the right to discharge for just cause. The Employer agrees to advise the Union of any such discharge and the reason therefor at the time of such action. Such discharge shall conform to Civil Service procedures.

B. A grievance within the meaning of this agreement shall be any difference of opinion, controversy or dispute arising between the parties hereto relating to any matter of wages, hours, and working conditions, or any dispute between the parties involving interpretation or application of any provisions of this Agreement.

Step 1. Any aggrieved Health Inspector shall present his grievance within five (5) working days of its occurrence or such grievance will be deemed waived by the Union and the Inspector.

Step 2. In the event of such grievance, the steps hereinafter set forth shall be followed;

The Health Inspector shall take up the complaint with the Director of Environmental Health. In the event the complaint is not satisfactorily settled within three (3) working days, the Inspector shall sign a written complaint and forward the grievance to the next step in the procedure.

Step 3. The Union representative and the Director of Environmental Health or any such designated person shall meet to discuss the grievance within seven (7) working days at the completion of the previous step. In the event of failure to reach a satisfactory adjustment of the grievance within five (5) working days, the grievance may be taken to the next step by either of the parties upon notice to the other party.

Step 4. If the foregoing steps do not effect a settlement of the grievance, either party may refer the dispute to the Grievance Committee.

The Grievance Committee shall consist of:

- (a) the business agent of the Union;
- (b) Director of Environmental Health;
- (c) Head of the Department of Health.

The Grievance Committee shall meet within seven (7) days of the receipt by it of the written grievance, and shall promptly convene to consider the grievance. The committee may hold hearings, and gather any information necessary for a decision. If the grievance is resolved by unanimous action of the Grievance Committee, the decision of the Grievance Committee shall be binding on all parties. If the decision of the Grievance Committee is not unanimous, then the Union members and the Health Inspector members of the Grievance Committee shall submit separate written reports to PERC arbitration. The decision of PERC Arbitration shall be final and the Inspectors shall have no further right of administrative appeal. Any fees shall be equally borne by both parties.

C. It shall be the intention of the parties to settle all differences between the Employer and the Union through grievance procedures of this agreement. Therefore, the

Employer agrees that it will not lock out its Health Inspectors and the Union agrees that they will not strike, slow down, or cause a slow down or engage in any work stoppage during the term of this Agreement. Any Inspector who violates the terms of this section shall be subject to discharge.
